

Elite Series

Where performance meets reputation. Mercury's Elite Series propellers provide class-leading durability and performance. These are our best-selling designs.

BRAVO THREE®

- Amazing contra-rotating twin propeller design
- The front four-blade and rear three-blade provides the combination of speed, acceleration, holding and fuel economy
- Pair exclusively with Bravo Three® sterndrives

SPITFIRE X7®

- Superior acceleration generated through a small diameter design
- Ultimate top speed and holding through aggressive cup
- Designed for all boat types utilizing Mercury's 75-115 hp standard outboards

BRAVO I®

- The world's best-selling high-performance propeller
- Ideal fit for high-speed, high-drive-height outboard and Bravo One® sterndrive applications
- Provides outstanding performance for all 'go-fast' boats, including catamarans and stepped hulls

TROPHY® PLUS

- Designed to deliver exceptional bow lift for bass and flats boats running at high drive heights
- Unique design allows for venting both through and over the hub, providing quick holeshot and stable handling at high speeds and tight turns
- Fits 135hp and above outboards

SPITFIRE®

- Mercury's state-of-the-art aluminum propeller provides three-blade speed with four-blade holding and acceleration
- Aggressive four-blade design with high rake angles and added cup for tenacious holding
- Fits 25 - 250hp outboards and Alpha One sterndrives

TEMPEST® PLUS

- Designed to make big boats go fast
- Higher rake and bigger cup provide better handling and lift on big V6 outboard-powered boats
- Ideal for 135hp and above outboard-powered bass and tournament walleye boats 17 feet and longer
